1. The qualifications prescribed in the advertisement are as per the notified recruitment rules issued by Government.
2. All the degrees/diplomas/certificates mentioned in the advertisement must have been obtained from Universities/Institutions, duly recognized by competent authority.
3. The prescribed qualifications are the bare minimum and mere possession of the same does not entitle applicants to be called for the interview. Where the number of applications received in response to the advertisement is large and it is not conveniently possible for the Commission to interview all the applicants, the Commission may restrict the number of candidates to be called for interview to a reasonable limit on the basis of either higher qualifications/ higher marks/grade obtained in the essential qualifications or experience in relevant field higher than the minimum prescribed in the advertisement or on the basis of a **Screening Test**.

Note I: Commission has fixed the following qualifying marks in Interview and candidates unable to secure such qualifying marks would not be considered for the post, irrespective of their academic qualification and/ or marks obtained in Screening Test.

Category of vacancy	Qualifying Marks (percentage)
UR	40%

Note II: Marks obtained in Screening Test will not be considered for preparation of Merit List for recommendation. Marks obtained in the Screening Test will only be considered for shortlisting of candidates for interview for the purpose of restricting the number of candidates to be called for interview to a reasonable limit.

Note III: After display of Model Answers (MCQ Type) in the PSC website, objections by the candidates need to be filed strictly within the specific time limit, beyond which no objections shall be entertained; in case, Screening Test is conducted.

Note IV: In the Screening Test, Tie-Breaking amongst same marks is not applied. Instead, all eligible candidates securing cut-off marks i.e., same marks with the last candidate will be called to interview. This may invite a large number of candidates to be called to interview.

However, if same marks obtained in the interview by two or more candidates, preference would be given to seniors by virtue of date of birth in course of recommendation. If dates of birth are found same, higher percentage of marks in the examination meant for minimum qualification required for the post would be considered.
